1. Log into your myBoiseState student account. This page can be accessed at my.boisestate.edu

2. If you haven’t already, you will need to set your password for your myBoiseState account. Refer to the diagram below for help.

3. Once you log in, you should see a screen like the one below. In the left column, you will see a list of menu options. Click on the last option, the "Student Center" link.
4. Once you click on the Student Center link, it will take you to a new screen that says Student Center. In the middle of the page will be three sections: Academics, Finances, and Personal Information. In the Finances section, you will see your outstanding balance. Right below the balance, you will see a "make a payment" option. This is where you click to pay online.

5. Once you click on the “make a payment” link, it will take you to the payment screen. The screen will prompt you for your credit card payment information. It will then show you a receipt once the transaction is complete.
