Student Acknowledgement

I, (name) _____ understand the following:

1. I understand I will be enrolling in a college-level class that will require rigorous academic work. This class demands responsibility and maturity equal to that of a college student.
2. High school students are held to the same student standards found in the Boise State University Student Code of Conduct, which can be viewed at deanofstudents.boisestate.edu/student-code-of-conduct/. Plagiarism in written works whether in hard copy, print or in electronic communications, will not be tolerated and may be cause for failure in the course and/or University dismissal. Academic dishonesty in any form may result in failure in the course or dismissal from the Program and/or the University. The instructor has the right to fail a student who violates the student code of conduct.
3. I understand that regular classroom attendance and participation is required. Failure to do so may affect my grade.
4. I will be graded on a college-level grading standard. Grades will be posted at the end of each term on a Boise State transcript.
5. I understand in order to receive college credit; I must register and submit payment to Boise State by the posted deadline for each course.
6. It is my responsibility to request a withdrawal from any class(es) that I decide not to take after registering. Failure to do so will result in me owing tuition and fees for the course if I miss the withdrawal deadline set by Boise State. After the withdrawal deadline Boise State does not grant a refund for a withdrawal from a concurrent enrollment course.
7. I understand the Boise State course that I take becomes part of my permanent transcript. Boise State credits are generally transferable to other higher-learning institutions. I am responsible for checking with other institutions to ensure a Boise State credit is transferable and how it may apply to my chosen program.
8. If I participate in a class campus visit, I understand that photographs, video, and audio recordings may be taken. These may be used by Concurrent Enrollment in brochures, websites, and other promotional materials.
