THE OSHER LIFELONG LEARNING INSTITUTE

Lifelong learning is not a pastime; it is a way of life that contributes to the well-being of seasoned adults. The Osher Lifelong Learning Institute at Boise State University is an important resource made possible by dedicated members and the support of the Bernard Osher Foundation.

Our mission is to provide a wide range of college-level, non-credit lectures, short courses, and excursions for the intellectual and social cultivation of our members. We want to be around for generations of members to come.

A meaningful way to help ensure the Institute’s longevity is to leave a legacy for lifelong learning. Making a planned or estate gift to the Osher Institute helps ensure that it will be here for lifelong learners through the ages.
